SUBJECT : Draft Guidelines for Declassification
Review of 1946-1950 Records

1. Attached to this memorandum is a draft memorandum to the Chairman of the Information Review Committee recommending a course of action which would materially relieve the Directorates of a major burden of records review. At the same time, the Agency would reap considerably greater cost--effectiveness from the proposed manner of compliance with Executive Order 11652.

2. Please insure that appropriate review of this proposal is made by your Directorate, and advise me of your coordination on the draft memorandum.

3. Questions or comments should be directed to [redacted]
